**Students must meet the BSN Checkpoints listed below to remain a pre-nursing major and apply to the School of Nursing.**

**CHECKPOINT 1: Maintaining Pre-Nursing Major**
Pre-nursing majors not meeting the checkpoints listed below at the end of their freshman year will be changed to the undecided major to explore other career opportunities.

- Overall GPA ≥ 3.00
- Completion with a C or better: Engl 1010, Engl 1020, Psy 1010, Chem 1110/1110L, Biol 2060/2060L

**CHECKPOINT 2: Application to BS Nursing**
Students have an opportunity to apply for an open position in the upper-division nursing courses once they reach checkpoint 2. Students desiring admission to the nursing major must complete the BSN Application online through their MocsNet account after they have been admitted to UTC. Candidates for the nursing major must make formal application by April 1 for admission to the fall nursing class and October 1 for the spring nursing class. Enrollment is limited and the number of qualified applicants often exceeds the number of students who can be admitted. Meeting the minimum requirements for admission does not guarantee acceptance.

- Overall GPA ≥ 3.00
- Completion with a C or better (may have 2 in progress): Engl 1010, Engl 1020, Psy 1010, Chem 1110/1110L, Biol 2060/2060L, Biol 2080/2080L, Biol 2100/2100L and Nurs 2260
- Minimum Science GPA of 2.50. The nursing major includes a strong biophysical science component; thus the first grade earned in a required science course will be used to compute the student’s science GPA.
- Complete Interview with a BSN prepared nurse and answer essay questions
- Submit School of Nursing online application by posted deadline (instructions online at [www.utc.edu/bsn](http://www.utc.edu/bsn))

**CHECKPOINT 3: Admission to Program**
- Return acceptance to reserve your place in the program
- Complete any pre-requisite courses in progress with a C or better
- Complete background check
- Attend BSN New Student Orientation

**CHECKPOINT 4: Completion of BS Nursing**
- Complete UTC Graduation Application
- Register for NCLEX exam
- Apply for RN licensure
