Beginning in Fall 2010, race and ethnicity became self-reported categories in the application process.

¹Race and Hispanic ethnicity are now considered separate categories by the federal government and are reported as follows: All persons who identify themselves as Hispanic are reported only in the Hispanic category. Individuals who are not Hispanic and report more than one racial background are reported in the multi-racial, non-Hispanic category. All other individuals who do not claim Hispanic origin, nor multiple races, are classified under the single racial category given.

²In Summer 2018, most Native Hawaiian/Pacific Islander self-identified as multiple ethnicities. Because of this there was a decrease in the number of students who only identified as Native Hawaiian/Pacific Islander and an increase in those identified as Multiracial.
