DESCRIPTION

The department proposes to change the catalog description for CRMJ 4780: Internship in Criminal or Juvenile Justice and CRMJ 4790: Advanced Internship in Criminal or Juvenile Justice to include the sentence that, "Internship placement is based on availability." (please also note we have included the new names of the courses below as we are also submitting an informational item to change the course names in the same packet).

RATIONALE FOR CHANGE

The department would like to change the catalog description for CRMJ 4780 and CRMJ 4790 as noted above. Many agencies who accept our interns are scaling back on the number of students that can be placed within their agency and several are also requiring more rigorous academic standards for these students who are placed. Therefore, this proposal is needed to reflect such changes within the internship program. Both courses are electives in the department and are not required for our majors.
