

The Department of Mathematics approved the following changes to the catalog regarding Math 2030 by a vote of 20-0-0 on September 19, 2014. The rationale is to adjust the course description with current offerings and to revise the prerequisites according to current course numberings.

Summary of changes:

1. Change reference to “Math 1910/1911” to “ Math 1910 and Math 1911 or Math 1950”

Current catalog description:

MATH 2030 - Discrete Mathematics for Computer Science

(3) Credit Hours

Designed primarily for students majoring in computer information systems. topics will include logic, introduction to mathematical induction, sets, relations, counting methods, graph theory and trees. Prerequisites: MATH 1830 or MATH 1910 and MATH 1911 with minimum grades of C; CPSC 1100 or department head approval. Credit not allowed in this course after completion of Mathematics 3030 or 4720 with a minimum grade of C.

Proposed catalog description:

MATH 2030 - Discrete Mathematics for Computer Science

(3) Credit Hours

Designed primarily for students majoring in computer information systems. topics will include logic, introduction to mathematical induction, sets, relations, counting methods, graph theory and trees. Prerequisites: MATH 1830 or MATH 1910 and MATH 1911 or MATH 1950 with minimum grades of C; CPSC 1100 or department head approval. Credit not allowed in this course after completion of Mathematics 3030 or 4720 with a minimum grade of C.
