

Licensing Information for Adobe Products

Tony Parsley

Licensing Information for Adobe Products

- Current State
- Future State
- What's Next?

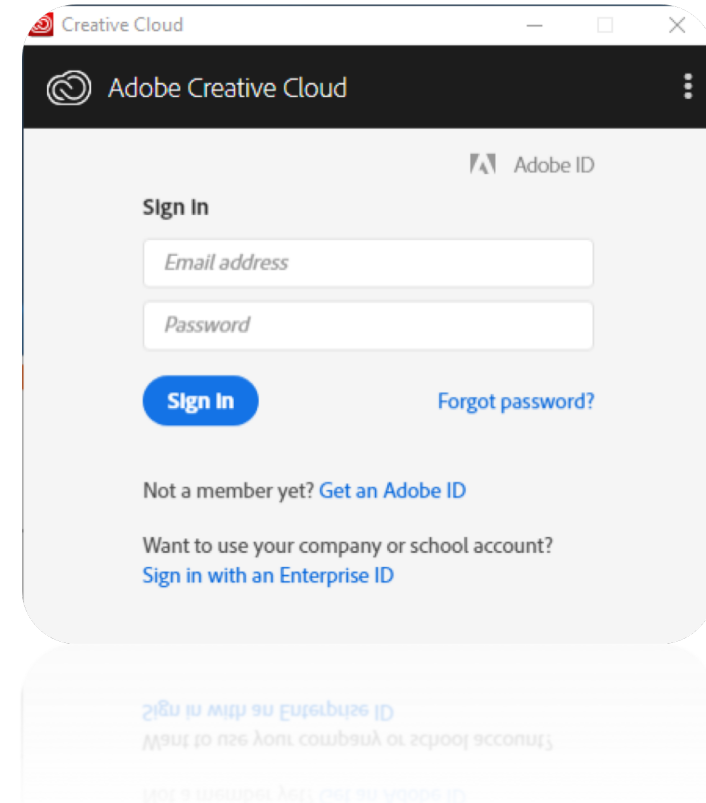

Current State

- Adobe Creative Cloud & Adobe Acrobat DC/Pro
- Licensed by install
- Number of Workstations w/ Adobe CC or Acrobat DC/Pro **~1,634 (installed)**
- Cost to UTC **\$62,941.34**
(IT Budget – UT System charge based on head count)

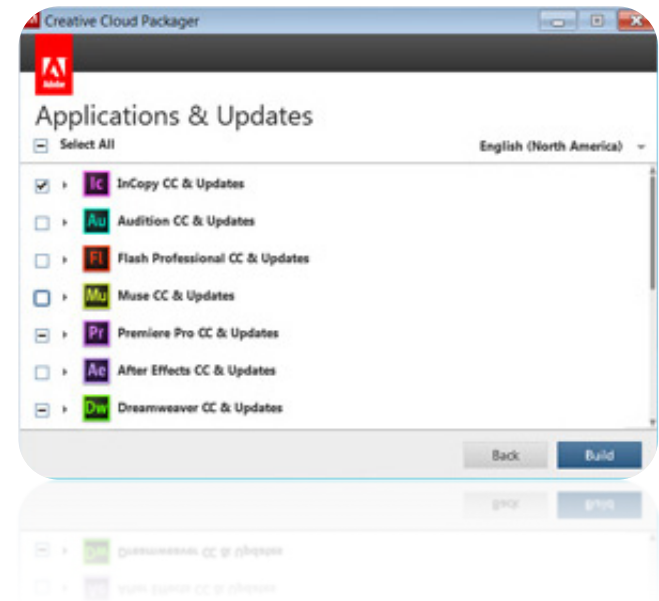

Future State

- Serialized licenses are no more
- Named vs Shared Device License
 - Named: License for 2 Devices (UTC owned & personally-owned computer)
 - Shared: Licensed by Install (Shared Device – i.e. Computer Lab)

Future State

- Licenses allocated to UTC: **1,473**
 - Yearly request by Employees
- Employees download specific applications from Adobe directly
 - UTC will not distribute Adobe software any longer
- Cost to UTC not expected to go up this next year. **But!**

What's Next?

- Current contract ends June 30th
 - Still waiting on final contract review
- Meeting with UT/UTK
 - Review Adobe Mgt. Tool
- Uninstall previous Adobe CC & Adobe DC/Pro
- Develop communication plan to the campus.
- Cost model going forward?
