¹Race and Hispanic ethnicity are considered separate categories by the federal government and are reported as follows: All persons who identify themselves as Hispanic are reported only in the Hispanic category. Individuals who are not Hispanic and report more than one racial background are reported in the multi-racial, non-Hispanic category. All other individuals who do not claim Hispanic origin, nor multiple races, are classified under the single racial category given. All persons who identify as International Students are reported only in that category.

²One student's gender is not reported for the Fall 2019 term.
