## **Registering for an iClicker Cloud Course**

**Regardless of the device you will be responding with in class**, you will navigate to your Course in Canvas and <u>click the iClicker Sync button</u> in the navigation bar (which will look something like the below image):

Then choose to "Launch iClicker Reef":

Sign in to iClicker Reef to link your account to Canvas

Use the button below to link your accounts. Don't create a new Reef account unless you've never had one.

This will redirect you to the iClicker Reef login page – **if you already have an iClicker Reef account, please do NOT create a new one.** Either log in with your existing account credentials or, if you do not have an account already, create one.

Subscriptions	Purchase A Subscription Or	Enter An Access Code	
<b>⊳</b> Sign Out	Reef offers subscriptions to get you the access you need for however long you need it. You can purchase a subscription online now.	lf you've already purchased an access code from your bookstore, you can enter it online here to activate your Reef subscription.	
	Purchase Subscription	Enter Access Code	

From here, you can select the length of the subscription required and enter your payment information. **Once you have paid, your registration process is complete.** 

< Payment Info	
STEP 1: SELECT A SUBSCRIPTION	
6-month subscription 180 days	\$14.99 USD
1-year subscription       365 days	\$23.99 USD save 20%
2-year subscription   730 days	\$32.99 USD save 45%
4-year subscription 1460 days	\$47.99 USD save 60%

If you will be responding with an iClicker remote, you will need to navigate to your Profile to add your Remote ID. There is no used remote registration fee required for this method. Once you have added your remote, you are ready to respond in class. You do not need to purchase a Reef subscription if you will only be responding with a remote.
