- Organizational Effectiveness
- Technology and Innovation
- Communication

The multidisciplinary Learning and Leadership Doctoral Program equips participants with an understanding of the relationship that learning plays in the leadership process. The program philosophy supports the development of reflective practitioners in a variety of organizations and focuses on the interwoven nature of learning and leadership.

Welcome Cohort 15

This past Summer, we welcomed Cohort 15 to the LEAD program. Each participant enrolled in the new foundational course, Learning & Leadership Integration & Assimilation Process. The new cohort is currently enrolled in Leadership and Learning: Theory to Practice and Research and Inquiry. Members of C15 represent diverse backgrounds including Higher Education Administration, Curriculum & Instruction, Business, Theology, and Psychology.

Recruitment Cohort 16

Applications to the Summer 2020 cohort of the Learning and Leadership Doctoral Program (Cohort 16) will be accepted **December 2019 through February 2020**. Please refer prospective applicants to our program website (www.utc.edu/dli) for details, including a link to our Inquiry Form. We appreciate your assistance recruiting future scholar-practitioners to our LEAD program!
