Financial Aid

Do you have enough money to cover your costs?
Go to the Manage My Account channel and select Account Detail by Term. You can see the details of your Spring 2011 UTC bill and your estimated financial aid. Scroll to the very bottom to see if you still owe a balance after financial aid is applied towards your bill.

- If Current Due of Authorized Financial Aid and Memos is zero, your financial aid covers your UTC bill. If Account Balance Net of Authorized Financial Aid and Memos is a negative number, this is your credit balance after UTC tuition and fees and room and board charges have been paid.
- If Current Due of Authorized Financial Aid and Memos is a positive number, you owe a balance after financial aid is applied towards your account. You must pay this balance, or sign up for the installment plan (2 payments plus a $20 installment plan fee) by December 17, 2010. If you feel you should not owe any money, check your financial aid awards to see if you have taken all steps to accept any loans offered to you.
