

Change of Address Request for F-1 International Students at UTC

Please TYPE your responses on this form. The Office of International Student and Scholar Services does NOT accept handwritten forms.

Address updates must be submitted to the Office of International Student and Scholar Services within 10 days of an address change. ISSS will update the Student and Exchange Visitor Information System based on the information you provide below. Please provide accurate information.

Type your answers into the required fields and email this form as a PDF attachment to international@utc.edu using your UTC email address.

U.S. Citizenship and Immigration Services places responsibility on the student to understand and comply with immigration law. Failure to comply with these regulations will mean the loss of your F-1 international student status. This has very serious consequences. For example, you could be barred from reentering the U.S. for up to 10 years, depending on the length of your status violation.
