B. Integrated Math Sequence (3 units required) | Integrated Mathematics I, II, III

Natural/Physical Sciences (2 units required)
At least 1 unit MUST BE from Group A:

Group A:
- Biology I, II
- Biology for Technology
- Chemistry I, II
- Earth Science
- Physics
- Principles of Technology I
- Principles of Technology II

Group B:
- Anatomy and Physiology
- Ecology
- Environmental Science (AP Only)
- Geology
- Nutrition Science
- Physical Science
- Agriscience$^5$

U.S. History (1 unit required) | U.S. History

Social Studies (1 unit required) | Ancient History
- Anthropology
- European History
- Civics
- Modern History
- Contemporary Issues

- Spanish
- Other Languages

**Visual/Performing Arts** (1 unit required)
- Art History
- Dance I, II, III, or IV
- General Music
- Instrumental Music
- Music History
- Music Theory
- Theatre Arts
- Visual Arts
- Vocal Music

| American Sign Language | Computer Language |

---

1. The courses listed on this chart are those currently approved by the State Board of Education for approved Tennessee high schools. In addition, a corresponding Advanced Placement (AP) course may be used to satisfy a particular unit requirement. Out-of-state students and graduates from home schools or non-approved high schools must meet the same requirements. Once admitted, students must remove any and all deficiencies in these requirements. Tennessee Community Colleges provide open admission to all high school graduates. However, students pursuing an Associate of Arts (A.A.) or Associate of Science (A.S.) degree must remove any high school unit deficiencies, for elective credit only, prior to graduation.

2. This course may appear on the high school transcript as Applied Communications or as English III or English IV.

3. Formerly named Math for Technology I

4. In a pilot stage from Summer 2006 through Spring 2008. Course will be re-evaluated Summer of 2008.

5. Formerly named Science 1-A

- Probability & Statistics (1/2 credit)
- Trigonometry (1/2 unit)
- Unified Geometry (1 unit)

**Natural/Physical Sciences**
- Ecology and Conservation of Natural Resources
- General Science

---

1. Courses that are not included on the current list of accepted or not accepted high school courses may be evaluated and accepted at our discretion. Such courses include art, art crafts, art history, band, ceramics, choir, chorus, drama, drawing, instrumental music, music, music theory, orchestra, pottery, sculpting, theater arts, visual arts, vocal music, madrigals, music appreciation, art appreciation, dance, photography, and graphic arts. Such courses are typically acceptable to meet the arts unit requirement.

2. Visual literacy and curricular theater may also be accepted as an arts unit requirement.
