2021-22 PROJECTED, NON-BINDING COST TO ATTEND
FOR BORDER STATE STUDENTS

STANDARD RATE

Out of State Tuition
$12,985

Students residing in states that do NOT touch Tennessee (except South Carolina) pay the full out of state tuition of $8,059 to attend.

BORDER STATE RATE

Out of State Tuition
$8,958

Students residing in states that touch Tennessee (plus South Carolina) pay $4,032 for the out of state tuition portion to attend.

FOR QUESTIONS, PLEASE EMAIL RESIDENCY@UTC.EDU
Students that live outside of Tennessee have a new opportunity to attend UTC at a discounted rate.

For this discounted rate, the in state rate is what all UTC students are required to pay, regardless of residency. Next, the out of state tuition is offered at a discounted rate.

The Border State Rate is the base in state rate plus half of the base out of state tuition. The total is $8,958 per semester. The Border State Rate is available to students who live in Alabama, Arkansas, Georgia, Kentucky, Mississippi, Missouri, North Carolina, South Carolina and Virginia. For any questions, please email residency@utc.edu.

For full pricing information*, you may use our Net Price Calculator which will estimate financial aid and the cost to attend at utc.edu/finaid or our Tuition Estimator which estimates the cost to attend one semester at utc.edu/bursar.

**Fiscal Note 1:** The “In-State Totals” consist of all maintenance and mandatory fees approved by the UT Board of Trustees for fiscal year 2021, plus an additional estimated increase of 2.5% to the maintenance fee. The actual cost will not be available until the UT Board of Trustee’s meeting held in June 2021.

**Fiscal Note 2:** The bordering states that qualify an out of state student to be eligible for this rate includes Kentucky, Virginia, North Carolina, Mississippi, Alabama, Georgia, Arkansas, Missouri, and South Carolina. Contact the Admission’s Office regarding student residency questions.

* Full pricing information will provide costs related to other fees such as housing, meal plans parking fees and other fees associated with specific degrees and laboratory courses. These costs are not universal to every student and are included at your choosing.
