In accordance with the rules adopted by both the Board of Trustees of The University of Tennessee and the board of Regents, individuals domiciled in the State of Tennessee are classified as in-state residents. All individuals not having a domicile in Tennessee are classified as out-of-state. In determining whether a student is domiciled in Tennessee all pertinent evidence is considered by the University. Presence or absence of any particular item(s) of evidence will not automatically result in an in-state or out-of-state classification. In order that we may have full information with which to determine your classification for admission and fee purposes, please complete and return this application to the above address. You should attach supportive materials (letters, photocopies of documents, etc.), particularly at the places marked “Documentation.”

All decisions regarding classification for fee and admission purposes are made in accordance with Regulations for Classifying Students In-state and Out-of-state for the Purpose of Paying College or University Fees and Tuition and for Admission Purposes. (Copy available in each of the campus offices of Admissions and Records).

1720-1-1-08 EFFECTIVE DATE FOR RECLASSIFICATION. If a student classified out-of-state applies for in-state classification and is subsequently so classified his or her in-state classification shall be effective as of the date on which reclassification was sought. However, out-of-state tuition will be charged for any semester during which reclassification is sought and obtained unless application for reclassification is made to the classification officer on or before the last day of regular registration of that semester.
