Additional Fees That Could Be Assessed

- **Out of State Tuition:** Out-of-state students need to add the out-of-state tuition cost to the course sub-total above.
- **Online Support Fees:** Online and face-to-face business graduate courses have the same Rollins College of Business differential and program fees but different University general fees. The result is a slight cost difference between the two course deliveries. The above fee breakout is based on face-to-face business graduate course delivery.
