History

The University of Tennessee at Chattanooga, in collaboration with the Department of Housing and Residence Life, congratulates the academic and scholastic efforts of our residents during the fall 2018 semester. A UTC Housing and Residence Life student initiated the Scholars in Residence Honors Program in 1990. At that time, the student was serving as an Assistant Resident Director of Lockmiller Apartments and wished to recognize on-campus residents who had excelled academically.

The tradition still continues of promoting and recognizing the scholastic achievement of the residents. This year marks the 29th anniversary of the Scholars in Residence program.
