*20 clock hours = 1 credit.

Please answer the following:

1. Describe the nature of the research/creative experience (in your own words).
2. What specific duties and responsibilities will you undertake in this role?
3. How will the experience help you develop the Honors College learning objectives?
(Critical and Creative Thinking; Creative and Research Activities; Communication;
Collaboration; Community Understanding; and/or Cultivated Professionalism)
4. How will the experience advance you toward future accomplishments?

Students must also submit a signed statement or email from your supervisor that confirms your participation in the experience and, when applicable, lists all duties associated with the experience and the start and completion dates.
