School of Nursing Checkpoints

Checkpoint 1: Maintaining Pre-Nursing Major. Pre-nursing majors not meeting the checkpoints listed below after completion of 24 earned hours will be changed to the undecided major to explore other career opportunities.	
	Overall GPA ≥ 3.00
	Completion with a C or better of the pre-requisite courses (designated with an asterisk on page 1) the student completes within the first 24 hours of the freshman year.
Checkpoint 2: Application to BS Nursing. Students have an opportunity to apply for open position in upper-division nursing courses once they reach checkpoint 2. Students desiring admission to nursing major must complete the BSN Application online through their MocsNet account after they have been admitted to UTC. Candidates for nursing major must make formal application by March 1 for admission to fall nursing class and October 1 for spring nursing class. Enrollment is limited and the number of qualified applicants often exceeds number of students who can be admitted. **Meeting minimum requirements for admission does not guarantee acceptance.** Additional forms, instructions and application available, online at www.utc.edu/bsn.	
	Overall GPA ≥ 3.00
	Completion with a C or better (may have 2 in progress): English Composition 1 and 2, Chemistry with lab, Anatomy, Physiology, Psychology and Microbiology.
	Minimum Science GPA of 2.50. The science GPA is calculated based on the highest grade earned in BIOL 2060, 2080, BIOL 2100 and chemistry with lab.
	Participation in extra-curricular activities (must be within the past 2 years) and document on verification form. Examples of extra-curricular activities include: - Community Service – 15 hours - Military Service/participation in ROTC - Healthcare related experience (CNA) - Extracurricular activities (sports, band, sorority, fraternity, student organizations) - Leadership
	Completion of required essay on application
	Submission of School of Nursing online application by posted deadline above
Checkpoint 3: Admission to Program	
	Return acceptance to reserve your place in the program and complete any pre-requisite courses in progress with a C or better
	Complete background check
	Attend BSN New Student Orientation
Checkpoint 4: Completion of BS Nursing	
	Complete UTC Graduation Application
	Register for NCLEX exam
	Apply for RN licensure

Registration FAQ

Where can I find a list of courses that meet each general education category?	You can find this information in several places: - The UTC Undergraduate Catalog, http://catalog.utc.edu/, and clicking on General Education list on the left menu bar. - Your Mocs Degree Evaluation The Class Schedule link using the "Session Attribute Type" click on the general education category.
How do I know when I register for classes?	You can locate your registration date and time (or time-ticket) by accessing your "Registration Status" link on your MyMocsNet account. Login to your MyMocsNet account, click on the "Academics" tab at the top of the page, then click on "Registration Status" link under the "Registration and Student Records" heading.
How do I look up the sections of the classes I want to take?	Go to the UTC website, www.utc.edu, and click on Class Schedule in the gold bar at the very top of the page.
How do I register/add/drop courses?	Detailed instructions, with screenshots, on how to register, add a class or drop a class are online at http://www.utc.edu/records/registration-information/instructions.php.
What if I am not math ready (less than 19 on the math ACT sub score)?	If you do not have a 19 on the math ACT, you need to do one of the following: - Enroll in the UTC Step Ahead Math Program in the summer. More information about this one week course is on the Math department's website, http://www.utc.edu/mathematics/students/step-ahead.php. - Complete Developmental Math at your local Community College - Take the math placement exam through UTC Mathematics department, https://www.utc.edu/arts-and-sciences/mathematics/student-resources/placement-test.
