Non-Tenure-Track Promotion

Purpose

Faculty members applying for promotion may wish to read [§4.8 \(Promotion\) of the UTC Faculty Handbook](#) and review the guidelines therein, as well as department or college bylaws. The process requires, at a minimum, a promotion dossier including a cover letter, an updated CV, performance reviews (since appointment at current rank), and documentation of contributions in each applicable performance. If a department or college requires additional information, that may also be included with the application.

Overview

The deadlines for non-tenure-track promotion are maintained here: [Non-Tenure-Track Faculty Promotion](#)
