*Instead of a year long payroll deduction you also have the option to "front load" your HSA account and then stop deductions after you reach the IRS max. (ex:elect four (4), \$1,037.50 deductions during the beginning of the year and then stop the deduction.)*

By signing this form, I am requesting that payroll deductions be started or changed as shown in Section 3 above and agree to the preceding terms. I understand there are maximum limits I can contribute to my HSA per IRS rules and I may be liable for tax penalties if I exceed this amount.

**This request replaces any previous payroll deduction requests for my HSA.**
