### Explanation of Instructional Delivery Methods

**Online Asynchronous:** This delivery method does not include any required meetings, though optional virtual meetings may be offered. Expect to have weekly deadlines that must be met. All coursework deadlines are due at the time stated in the syllabus following Eastern Time Zone.

### MBA STATISTICS BACKGROUND MODULE REQUIREMENT

The UTC Graduate Catalog requires MBA students to complete all program background requirements before the completion of six hours of MBA courses. If a student has not met this requirement, an advising hold will remain on their record. For more information about accessing and/or completing the statistics background requirement, contact your advisor. Most MBA students will have completed this requirement prior to beginning the program.
