

## **School of Nursing Required Urine Drug Screening**

All School of Nursing students (except RN-BSN) must have every item listed below tested. Results must show that each item was included in the test.

1. Amphetamines
2. Barbiturates
3. Benzodiazepines
4. Cocaine
5. Ecstasy/MDMA
6. Fentanyl
7. Marijuana
8. Methadone
9. Methamphetamine
10. Opiates
11. Oxycodone
12. Phencyclidine
13. Propoxyphene

Results should be uploaded into the Mediat Patient Portal or faxed to:  
University Health Services  
423-425-2305

Students may opt to use ArcPoint Chattanooga that has a custom urine test created for health science students that meets the requirements.
