

9 AM Welcome

Enrollment Management & Student Affairs

We welcome you to UTC and give you an overview of the day ahead. We want to make sure students get the information necessary for a great start.

10 AM Financial

Mocs One Center, Financial Aid & Scholarships, Bursar, Student Loans & Money Management

This session provides answers to questions regarding financial aid, scholarships, fees, payment processes and advice on how to manage your money while attending UTC.

11 AM Housing

Housing and Residence Life

If there's one thing we know students have questions about, it's living on campus. Our team talks about deadlines, roommates, move-in and generally what it's like to live in on-campus housing at UTC.

12 PM Student Panel

Student Orientation Leaders

What better way to get real than to have students talking to students. Our Orientation Leaders host this session for incoming students and help them know what to expect. They've been there!

Live Chats

OUR EXPERTS ARE READY TO TEACH YOU ALL ABOUT STARTING AT UTC

Part of your virtual orientation is to participate in Live Chats that are designed to get you off on the right foot for your first semester.

These virtual sessions are available on your day of orientation. Instructions for joining the live chats will be sent to your UTC email.

You will also receive an email that includes your one-on-one virtual advisement time and link to discuss your course schedule.

All times are Eastern Standard Time.

All Sessions will be recorded and available to view after the session is over.
