Explanation of Instructional Delivery Methods

Online Asynchronous: This delivery method does not include any required meetings, though optional virtual meetings may be offered. Expect to have weekly deadlines that must be met. All coursework deadlines are due at the time stated in the syllabus following Eastern Time Zone.

Online MBA Students: When registering in MyMocsNet, look for the sections preceded by an X (example: X01, X02, etc.).
 X-sections are reserved for the Online MBA program. Non-X sections are reserved for the Campus MBA program.

MBA STATISTICS BACKGROUND MODULE REQUIREMENT

The UTC Graduate Catalog requires MBA students to complete all program background requirements before the completion of six hours of MBA courses. If a student has not met this requirement, an advising hold will remain on their record. For more information about accessing and/or completing the statistics background requirement, contact your advisor. Most MBA students will have completed this requirement prior to beginning the program.
