Special Purpose Committees

Bylaws Revision Committee

Reviews written proposals to amend or revise the staff senate bylaws. Parliamentarian chairs the committee. Amendments must be approved by the Vice Chancellor for Finance and Administration.

Curiosity Committee

This committee asks open ended questions about current process and procedure in search of a better way. Bring your curiosity and be ready to explore questions like 'If we tried B instead of A, I wonder if we would get better results?' Topics identified by this committee may be assigned to a standing committee for further development.

Staff Awards Committee

The committee is responsible for creating award categories and selecting the criteria for university-level awards.
