Stagmaier Hall

Map Description

General Description

This map shows the layout of Stagmaier Hall. The map includes two distinct layouts: a ground floor layout and a separate layout representing the first and second floors. Both layouts depict a single continuous residential building with interior hallways and shared facilities.

Spatial Organization

Stagmaier Hall is arranged as a long rectangular building with apartments on both sides of a central interior hallway. The ground floor includes additional shared spaces and services near the main entry. The first and second floors consist primarily of residential apartments accessed from the same central hallway configuration.
