

# West Campus Housing

# Map Description

## General Description

This map shows the West Campus Housing layout for floors 6 and 7. The building is a single continuous structure with enclosed hallways surrounding a central courtyard area. Although the left wing does not contain residential units above floor 5, it remains part of the overall building footprint and forms a roofed section over the courtyard. All circulation on these floors occurs within interior hallways.

## Spatial Organization

Residential apartments on floors 6 and 7 are concentrated along the right-side wing of the building and along the lower connecting section adjacent to Vine Street. A continuous interior corridor system connects the right wing, lobby area, elevators, conference room, stairs, and support spaces.

## Labels and Notations

- Apartment stacks labeled x20 through x38.
