## **A Typical Day:**

UTC Campus Recreation's Mocs Adventure Camp is designed to immerse your camper in a broad range of physical activity, sports, and play. Each week includes a field trip in addition to swimming, climbing, competitive sports, and various activities. Exposure to a broad range of activities keeps campers engaged and wanting more. Your child's day will be filled with activity and fun.

## **All-Camp Field Trips:**

The Mocs Adventure Camp features one field trip per week. Most field trips require an additional waiver to be signed by the parent(s) or guardian(s). This waiver will be emailed to the parent(s) or guardian(s) at the start of camp each week or given out upon picking up your camper on the first day of camp. The camper will not be able to participate in camp on Wednesday if the waiver is not completed.

Transportation to and from the field trip location will be by school bus, chartered through First Student Charter Center. Campers are required to wear their camp t-shirt on field trip days. This allows us to easily keep our group together. Camp t-shirts will be passed out at pick up on Tuesday afternoon.

## **Middle Mocs Field Trips:**

Middle Mocs campers (6<sup>th</sup>, 7<sup>th</sup>, & 8<sup>th</sup> Graders) will be able to attend the All-Camp Field Trip and a second field trip each week. The Middle Mocs Field Trip will usually be on Friday mornings, with the exception of the week of Juneteenth. Since our camp is closed for Juneteenth, the field trip will take place on Thursday that week. In general, the field trip is scheduled from 10:00 a.m. – 12:00 p.m. However, depending on the specific field trip, campers may depart earlier or return a little later. Middle Mocs campers will still be able to swim on Fridays.

Most field trips require an additional waiver to be signed by the parent(s) or guardian(s). This waiver will be emailed to the parent(s) or guardian(s) at the start of camp each week or given out upon picking up your camper on the first day of camp. The camper will not be able to participate in the field trip if the waiver is not completed.

Transportation to and from the field trip location will be by van, driven by Camp Counselors. All Camp Counselors have taken drivers training and will strictly follow our driving regulations. Campers are required to wear their camp t-shirt on field trip days. This allows us to easily keep our group together.
