MOBILEMOC NEWS

Pre-med students from the University of Florida will be spending their spring break (March 16-20) with the MobileMOC, learning alongside our team and engaging with the community. If you'll be in town and would like to connect with students from another campus, please email meagan-oslund@utc.edu. We'd also love your recommendations for local activities and favorite food spots—just scan the QR code to share your ideas!
