Provisional PI / Personnel Certification

This proposal is being submitted within the cutover period while UT is transitioning from Cayuse to DASH Research Grants module. During the transition period, PI and personnel approvals are being provisionally collected via this document. Please review the certifications and include your name and signature below. Official certifications will be collected with the proposal is re-entered into the DASH Research HGA module.

By signing this form, you are certifying the following:

1. The information submitted within the application is true, complete, and accurate to the best of my knowledge. I understand that any false, fictitious, or fraudulent statements or claims may subject the University and Lead PI or PI to criminal, civil, or administrative penalties;
2. I agree to accept responsibility for the scientific, fiscal, and ethical conduct of the project and to provide the required progress reports if an award is made as a result of the University's application;
3. I will comply with all relevant state and federal regulations, University policies, and contractual obligations;
4. For federal research and development proposals, I am aware of the requirement to disclose current and pending research support, in compliance with disclosure requirements in Section 223(a)(1) of the William M. Thornberry National Defense Authorization Act;
5. All activities involving a foreign entity, including foreign sponsors and/or collaborations, as well as any current Foreign Talent Recruitment Programs (FTRP) engagement (as defined in UT Policy RE0003), have been disclosed in this proposal in accordance with sponsor requirements. It is my responsibility as a PI to understand these requirements;
6. I certify that I am not a party to a Malign FTRP (as defined in UT Policy RE0003) and have been made aware of my responsibility to remain in compliance with the requirement to not be a party to a Malign FTRP for the duration of the project;
7. I have reviewed all U.S. Export Control requirements and certify that either they do not apply to this project or I will comply with the export control requirement(s); and
8. I hereby assign to the University all my right, title, and interest in and to any inventions and creations (except scholarly works) arising from this project.
