HOUSING REMINDER

As we prepare to welcome another first-year class, on-campus housing for the 2027-2028 academic year will be limited and in high demand for current students. The application may remain open until May 1 or until capacity has been met. We will continue to assign current/returning students as space becomes available. Please note, this may include overflow housing in a nearby apartment complex or hotel. **We do not guarantee housing assignments.**

Students who are approved to live in an RLC are not eligible for the Housing Lottery. The RLC coordinator will include your name on the appropriate roster and you will be assigned to that appropriate community. Student athletes: The coach will determine students added to the athletics roster. Then, the Housing Office will assign the student athlete to the designated room.
